

HEALTH AND SAFETY POLICY **STATEMENT**

Health and Safety at Work Act 1974

SciQuip Ltd is committed to maintaining an excellent health and safety record and strives to further the welfare of our employees, visitors and other persons affected by the organisation's activities. SciQuip Ltd shall provide control measures which will ensure so far as reasonably practicable that every employee has a place of work that is safe and without risk to health. Equally, it is the duty of all employees to co-operate with management in regard to health, safety and welfare matters.

Our statement of general policy is:

- To provide adequate control of the health and safety risks arising from our work activities
- To consult with our employees on matters affecting their health and safety
- To provide and maintain safe equipment
- To provide information instruction and supervision for employees
- To ensure all employees are competent and to give them adequate training
- To prevent accidents and cases of work-related ill health
- To maintain safe and healthy working conditions
- To provide adequate first aid facilities
- To ensure that all legal requirements are satisfied
- To review and revise this policy as necessary at regular intervals
- Make available to employees and others with legitimate interest, information relating to health and safety.
